When filling in this section, please keep in mind the following: You are asked to report on your ANNUAL INVENTORY and MARKETINGS for the previous calendar year.

If you custom feed, you must report ALL INVENTORY and MARKETINGS from your farm, INCLUDING cattle you do not own. It is up to you, whether you pass this cost on to the owners of the custom fed cattle on your farm.

The PEICP reserves the right to audit your operation to verify the number of inventory and marketings you have claimed.

*Please indicate which sector you belong to as well as the number of cattle for each category.
