According to the Prince Edward Island Cattle Producers *Registration & Cattle Marketing Levies Order*

- “Buyer” means a person who purchases cattle from a producer and includes a producer, a drover, an auction and a processor
- Buyers shall deduct levy from the amount owing to the producer, remit that levy to the PEICP Office and provide the producer a document that shows number of cattle sold, levy deducted, buyer contact info and date.
- Where, in the ordinary course of business as a drover, a drover feeds or owns cattle for a period of not more than seven (7) days, the drover is deemed not to be a producer and is not liability to pay levy for that animal to PEICP.

I am hereby registering with the Prince Edward Island Cattle Producers pursuant to section 4 of the Registration & Cattle marketing Levies Order under the *Natural Products Marketing Act*, R.S.P.E.I. 1988 Cap. N-3, and the *Cattle Marketing Board Regulations*. I understand that registration is an annual requirement, and I am responsible to notify the PEICP office of any changes to the above information with seven (7) days of the effective change. I hereby confirm the information provided is true and accurate to the best of my knowledge.

I authorize PEICP to list my name on their website under the heading of Registered Buyer.
